Students in K-3 have been provided take home folders containing daily assignments. Students in grades 4-8 will utilize Google Classroom to complete daily assignments. Hard copies are available at the school as needed for all grade levels.

Lunches and all hard copies of assignments needed will be provided via a drive-thru “grab & go” process. Please see the chart below for your child’s scheduled pick-up times.

** If you have children in both time slots, please arrive at the time slot associated with your youngest child enrolled & receive the bag lunches accordingly.*

- Student lunch accounts will be charged the normal lunch price rate in accordance with the school’s food service provider.
- Pick up days and times will remain in effect as long as the school is closed due to the Department of Health mandate. Meals will only be served on scheduled school days.

If Hainesport Township School District is required to close, administration will be available at the school each day for any needs that may arise. All teachers will be available via email to answer any questions pertaining to assignments/lessons from 8:05am to 3:30pm daily.
