## Overview of the Code of Student Conduct

Effective instructional programs require an orderly school environment, and the effectiveness of educational programs is, in part, reflected in the behavior of the students. The emphasis on positive behaviors creates an atmosphere of mutual respect and the appreciation of individual differences among staff, students, and parents for individuals as well as district and community property.

Students are expected to conduct themselves in a manner that demonstrates proper regard for the rights and welfare of others and conduct themselves in keeping with the educational purpose underlying all school activities, including the care of school facilities and equipment. The standards of student behavior are set with the purpose of producing an atmosphere that encourages students to grow in self-discipline and character development.

1. This manual provides the guidelines for code of student conduct with the corresponding consequences while on school property or while attending any district sponsored school event. The Code of Student Conduct is tiered to suit the different age levels/groups in the district and is progressive in consequences with regard to infractions.
2. All students and parents/guardians shall be provided the Hainesport Township School District Code of Student Conduct regarding student conduct and the sanctions that may be imposed for breach of those rules. It is mandatory that all parents/guardians and students sign-off that they have read and understand the Code of Student Conduct.
3. All students shall adhere to the established and approved Code of Student Conduct. Substantiated non-compliance will be cause for consequences and/or sanctions.
4. Consequences/disciplinary action shall be applied consistently and uniformly with necessary due process in accordance with the regulations of the New Jersey Administrative Code. Further, staff shall comply with the regulations of the New Jersey Administrative Code when overseeing discipline and/or suspension of classified pupils.
5. Certain infractions shall be reported to the local law enforcement agency in accordance with the District's Memorandum of Agreement, which is on file in the Office of the Superintendent. Student/Staff confidentiality shall be protected in accordance with federal and state law.

***This Code of Student Conduct does not address every potential form of inappropriate student behavior. Infractions not specifically cited in this document will be addressed on a case-by case basis subject to administrative discretion.***

## Appendix C

### Eligibility and Ineligibility for Extra-Curricular Activities and School Sponsored Events\*

Eligibility for School Trips (including 8th grade trip), dances (including 8th grade dinner dance), and all extra-curricular activities (sports, clubs, etc.):

Students may not attend dances/special events/extra-curricular activities during a Suspension or Saturday School (including weekends), or if they are absent on the day the event occurs. Extenuating circumstances will be reviewed by administration. If assigned a Saturday School, the student is ineligible for extra-curricular activities until the Saturday School is served.

Parents and students are reminded that extra-curricular activities constitute an extension of the school's authority over the behavior and actions of students. The Code of Student Conduct clearly explains the consequences of misbehavior under such circumstances.

If a student is suspended, ISS (In-School Suspension) or OSS (Out-of-School Suspension), multiple times and/or charged with a criminal offense, he/she may be required to meet with the Superintendent, Principal of corresponding grade level, and parent(s)/guardian(s). At the time of the infraction, the student will be excluded from participation in all extra-curricular activities, based on the leveled system below. The activities listed include, but are not limited to:

### **Academic Standing (#2430)**

For purposes of this policy, "Good Academic Standing" means a student does not have (1) grade of "E" or (2) grades of "D" in any of the (4) Core Academic Areas (English Language Arts, Mathematics, Science, and Social Studies), at any of the designated times the Eligibility Reports are prepared.

Extra-curricular activity eligibility is determined at the following (6) points of time during the academic year:

Point of Determination	Eligibility Determination Dates	Next Determination of Eligibility
#1	The day 1st Marking Period Report Cards are sent home.	Point of Determination #2
#2	The day 2nd Marking Period Interim Reports are sent home.	Point of Determination #3
#3	The day 2nd Marking Period Report Cards are sent home.	Point of Determination #4
#4	The day 3rd Marking Period Interim Reports are sent home.	Point of Determination #5
#5	The day 3rd Marking Period Report Cards are sent home.	Point of Determination #6
#6	The day 4th Marking Period Interim Reports are sent home.	N/A

If a student is determined to be ineligible due to academics, the student cannot be determined to be eligible again until the next Determination of Eligibility Date.

In the event of excused absences, the student will be given the number of school days of excused absence to make up the work. After that portion of time, eligibility will be determined.
