Dear Hainesport Township School Community,

This letter is to inform you that an individual at Hainesport Township School has tested positive for Coronavirus Disease 2019 (COVID-19). Hainesport Township School District is coordinating closely with public health officials and following CDC, state, and local health department guidance in order to assure the health and safety of our community.

Individuals who have been identified as a close contact will be contacted shortly.

We understand the level of concern regarding COVID-19, and we encourage parents/guardians, students, and staff to continue following the [Centers for Disease Control & Prevention](#) promoted safeguards, such as:

- Staying home when you are sick;
- Washing hands often with soap for at least 20 seconds;
- Covering coughs and sneezes and properly disposing of tissues;
- Limiting close contact with people who are sick and not sharing food, drinks and utensils;
- Practicing social distancing (staying at least 6 feet apart);
- Wearing a face covering while in school; and
- Continuing to monitor your health for symptoms.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact the district's COVID-19 contact, Ms. Cyndi Hess, at 609-267-1316 ext. 208 or hess@hainesport.k12.nj.us.
