

# Hainesport Township School District

**Joseph R. Corn, Superintendent**

**Robert P. O'Brien, Business Administrator**

**Lauren M. Salls, Principal PreK-4**

**Thomas J. Simonet, Principal 5-8**

---

March 9, 2020

Dear Parents/Guardians,

Hainesport Township School District continues to stay abreast in consultation with the Burlington County Health Department through the NJ Department of Health, in regards to COVID-19 (Coronavirus) developments, and we will continue to follow their guidance.

With circumstances changing daily, please continue to be vigilant in emphasizing hand washing to your child. Just as the same in flu season, if your child is feeling ill in any way, please make sure that he or she stays home until he or she is fever free for at least two full days. Please also monitor any flu-like symptoms your child may exhibit and refrain from sending your child to school. All staff and faculty will also be following the same protocols.

The district continues to be keen in cleaning surfaces and disinfecting high-touch areas daily, and our school nurse will monitor students who visit her office.

We will continue to communicate further developments as per the recommendations of the NJDOH and the Burlington County Health Department.

Thank you for your attention to this matter.

Sincerely,

Joseph R. Corn  
Superintendent of Schools
