Dear Hainesport Community and Staff Members,

I would like to update you on Hainesport Township School's preparation related to Coronavirus. District administration has reviewed all related policies. In addition, the district has been monitoring guidance documents from the Center for Disease Control (CDC) and the State Health Department.

We all need to work together to help prevent the spread of Coronavirus in our school and community. The following are a few things that you can do:

- Keep sick children home
- Stay home when sick
- Cover coughs and sneezes
- Wash hands with soap and water
- Teach your child proper use of hand sanitizers

Hainesport Township School District will continue to follow guidance provided by state and federal agencies as well as the New Jersey Department of Education as new updates are issued. For more information, visit:

Sincerely,

Joseph R. Corn
