Dear Families in the Rancocas Valley Region:

The school districts in the Rancocas Valley Region have a history of unity working together in the best interest of our communities. In this tradition, the districts have made several unanimous decisions in an effort to help slow the spread of the Novel Coronavirus (COVID-19).

Following the guidance of the Center for Disease Control (CDC) and the Burlington County Department of Health, and with the support of our Boards of Education, the Superintendents of Rancocas Valley Regional High School, Eastampton Schools, Hainesport Schools, Lumberton Schools, Mount Holly Schools, and Westampton Schools have made the following changes in their respective districts:

- All regional schools will be closed to students starting on Monday, March 16, 2020. We are planning to re-open on Monday, April 20, 2020.
- Staff from each respective district should review guidance from their administration regarding the schedule for Monday, March 16, 2020.
- Students will begin remote learning on Tuesday, March 17, 2020.

Thank you for your understanding and cooperation, as we take extra precautions for the safety and well-being of our students and staff, as well as the entire Rancocas Valley Regional community.

If you have any questions, please contact your respective school district administration.
