Dear Parents/Guardians,

On Thursday April 16, 2020 Governor Murphy ordered New Jersey schools closed until May 15, 2020 in an effort to halt the spread of the coronavirus. On approximately May 15th, Governor Murphy's office will reassess the public health situation and determine the possibility of students returning to schools.

Hainesport Township School District will continue educating students "through appropriate home instruction," per the Governor's March order. As we receive additional details, we will continue to provide you with updated information.

Please stay healthy and safe in these trying times.

Sincerely,

Hainesport Township School District
