Report Description:

The purpose of the local education agency (LEA) **Service Report (SR)** is to meet the legislative requirements to identify and serve gifted students and their families as established in the New Jersey Strengthening Gifted and Talented Education Act (N.J.S.A. 18A:34-39). The initial report shall be filed in Homeroom by October 1, 2020 and thereafter on a schedule that coincides with the LEA's New Jersey Quality Single Accountability Continuum (QSAC) review pursuant to section 11 of P.L.1975, c.212 (C.18A:7A-11). This plan is informed by the LEA's self-evaluation, educator input, and gifted student data. The **SR** is a written description of the policies and procedures used to implement services for gifted and twice-exceptional student education.

Instructions:

This report is required by State law. Please address all requirements in your response and be as thorough as possible. Be sure to include any LEA plans to improve or enhance each element during the 2020-2021 school year, as appropriate. On the **Services Tab**, please describe the LEA's current gifted and twice-exceptional education services as required and outlined in the Strengthening Gifted and Talented Education Act (Act). On the **Professional Development tab**, describe the professional development on gifted and talented education that was offered in the 2019-2020 school year and that will be offered to each group listed during the 2020-2021 school year. On the **Complaint Process Tab**, provide a link to your LEA board of education homepage where an individual may find information on how to file a complaint for noncompliance as required in the Act. On the **Website tab**, describe the information and provide a link to your LEA's webpage/s, showing the LEA's gifted and talented policies and procedures as required under the Act.

Student and Staff Data Collection:

The student and staff data elements are collected in NJSMART and do not have to be reported in the SR.
