APPLICATION FOR THE FULL-DAY PRESCHOOL PROGRAM

The Hainesport Board of Education is now accepting applications for its Preschool Expansion Program for the 2024-25 school year! Hainesport School District is proud to offer a high-quality, curriculum-based, full-day preschool program (defined as 6 total hours) at no cost to our community. Please note that children must be three years of age by October 1, 2024 in order to be eligible for this program.

The District will only be able to offer a limited number of seats, based on our current preschool enrollment. If there are more general education applicants than available openings, a public lottery will be held at a Board of Education Meeting following the application deadline. If a lottery is necessary, those children not selected at the lottery will be placed on a waiting list. Letters will be mailed to all applicants after the lottery is completed. Information about preschool lottery selection and waitlist positions will not be given over the phone.

If you are notified that your child has been accepted into the Preschool Program, you will need to formally register your child with the Hainesport Township School. A registration packet can be found on the district website, can be picked up in-person in the Main Office, or can be mailed upon request. You must provide a completed registration packet, original birth certificate, proof of residency, physical examination form, and an immunization record from your child's doctor.

To apply for this program, complete the attached application form and return it **no later than April 8, 2024** to the Hainesport Township School Special Services Office. The mailing address is below. If you need further information, please contact the Special Services Office at (609) 518-9081.
